

June 2018

Dear Future Second Grader and Family,

We hope that your summer is filled with fun things like swimming, vacationing, biking and eating ice cream! Along with those cool activities, we would like you to keep reading. Your summer reading assignment is to read, but with a twist. We would like for you to use the Summer Reading Bingo Board as a guide and fill in as many squares as you can over the course of the summer. On the blank Summer Reading Bingo Board, in the matching box, please write the name of the book you read and author. Don't forget to include your name on both papers!

Also this summer, we will be taking part in "One School, One Book." The entire school will be reading, "The Boy Who Harnessed the Wind." When we return to school, we will have a celebration for reading the book. To go along with the book, we would like you to think about your community. If you could make one thing out of "trash" to help your community, what would it be? On a separate piece of paper, draw your invention, give it a name, and label the parts.

It is also important to keep your math skills sharp! Please work on the recommended skills on the IXL website. Use your username and password (attached) to log on and complete activities. Stay sharp on your addition and subtraction facts too.

Finally, we are including a Summer Writing Prompt Bingo Board. Although not mandatory, we would like you to stay sharp on writing skills. On those rainy days, or any day, choose a prompt and write. Included is a journal to help you stay organized. If you need more space, just add paper! Color in any box that you complete.

We are looking forward to a great second grade year!

Love,

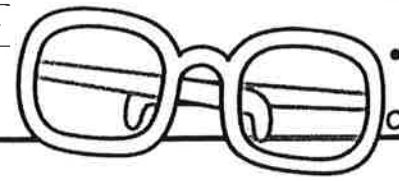

The Second Grade Team
