

Welcome 4th Grade Superheroes!

We hope you have a **SUPER** summer and get to do all the things you love! While you are having all of that **TERRIFIC** fun, please take time to keep your abilities sharp by completing the skills indicated on the enclosed IXL letter. Fourth graders should be **DYNAMITE** with their math facts, and if you can't access IXL one week, you can complete some of the enclosed multiplication sheets.

Also, read 2 chapter books of your choosing. These 2 books are in addition to The Boy Who Harnessed the Wind, the book which is being read by all students in the school. At least one of the two books should be fictional. Complete the Book Scavenger Hunt for **one** fictional book. Bring the completed math packet and the scavenger hunt with you on the first day of school.

We are so excited to have a **DYNAMIC** time in 4th Grade next year. Have a **SUPER, FANTASTIC**, and safe summer. We will see you in September!

Your Dynamic Duo,  
Miss Adcock & Mrs. Pringle

Name \_\_\_\_\_

## Fiction Book Scavenger Hunt

Book Title \_\_\_\_\_

Author \_\_\_\_\_

Use your SUPERHERO powers to find as many of the following things in your book as you can:

1. Three character traits of one of the main characters	2. Three proper nouns	3. One way you are similar to the main character	4. One way you are different from the main character
5. One way in which one of the main characters is like a character in another book you have read	6. One thing you found humorous or funny	7. Three new or interesting words	8. Three words describing the setting
9. One present tense verb One past tense verb One future tense verb	10. Three adjectives	11. The problem or conflict	12. The solution
13. One character you would like to spend the day with	14. One character you would not like to spend the day with	15. The copyright date	16. The best (or worst) thing about reading the book

Use this page to record your answers. You do not have to fill in all of the blocks, but try to fill in at least 10. We will discuss your answers in small groups the first week of school.

1. _____ _____ _____	2. _____ _____ _____	3. _____ _____ _____ _____ _____	4. _____ _____ _____ _____ _____
5. _____ _____ _____ _____ _____ _____	6. _____ _____ _____ _____ _____ _____	7. _____ _____ _____ _____	8. _____ _____ _____ _____
9. _____ _____ _____	10. _____ _____ _____	11. _____ _____ _____ _____ _____ _____	12. _____ _____ _____ _____ _____ _____
13. _____ _____	14. _____ _____	15. _____	16. _____ _____ _____ _____ _____ _____

If you need more room for any of your answers, use the back of this page.

Dear Parent,

I am pleased to tell you that we will be using a website called IXL in our classroom this year. IXL is a comprehensive learning program offering unlimited math practice across thousands of skills—all of which are aligned to state standards. One of the best things about IXL is that your child can access it from home, so you have a chance to see your child's progress!

To get your child started on your home computer, please follow these easy steps:

1. Go to <https://www.ixl.com/signin/tprs>
2. Enter your child's username and password and click "Sign in."
3. Click on any skill to start learning!

IXL is designed to help your child learn at his or her own pace. The program is adaptive and will adjust based on your child's demonstrated understanding of the material. All of your child's results will be saved, so you can monitor his or her progress anytime by clicking on Analytics. For on-the-go practice, you can download IXL's free tablet apps for iPad, Android, or Kindle and sign in with your child's username and password.

For the upcoming 4<sup>th</sup> grade year, I would like your child to have a Smart Score of 85 or above in the skills listed below. Once your student has completed the skills, they may continue to explore and practice additional 3<sup>rd</sup> grade skills.

Title of Skill	Skill Number
Place Value	B.2, B.8
Subtraction	D.3, D.7
Multiplication Fluency	G.9, G.13
Multiplication	H.6
Division Fluency	K.7, K.10
Estimating and Rounding	P.2
Time	T.6, T.7
Understand Fractions	W.3, W.12, W.19
Compare Fractions	Y.6
Two-Dimensional Shapes	CC.5, CC.6, CC.8
Geometric Measurement	FF.3, FF.9

I hope you'll encourage your son or daughter to use IXL regularly. Here's to a year of working together to make learning fun for your child!

Sincerely,  
Jessica Adcock
