

Please call Pen Ryn office if you have not received or misplaced your username and password.

Dear Parents,

We hope your summer is off to a great start!

We wanted to share with you one of our favorite quotes, by a local: Benjamin Franklin!

*"Without continual growth and progress, such words as improvement, achievement, and success have no meaning."
- Benjamin Franklin*

Students should always continue to set higher goals for themselves, even in the summer. We are happy to announce that we will be using IXL to help reinforce our classroom curriculum this year. IXL is an academic website that targets students' abilities, and works with them in the concepts that are more of a struggle. This website is great because it lets us see what the students need help with, and what kind of mistakes they are making within their problem solving process. This website also lets you, the parents, know how your child is doing!

Please find attached your child's IXL username and password as well as directions to sign in. Once your child has signed in, they should complete the diagnostic report. The diagnostic report will start with questions that are from a Pre-K curriculum and will end at the level they currently working on. After the diagnostic report is completed, we ask that each student work on the recommendations listed until they reach a Smart Score of 90. The recommendations are located under the Learning tab. Feel free to contact us should any question arise.

Have a great summer!

The Pen Ryn School

Dear Parent,

I am pleased to tell you that we will be using a website called IXL. IXL is a comprehensive learning program offering unlimited math practice across thousands of skills. One of the best things about IXL is that you have a chance to see your child's progress!

To get your child started on your home computer, please follow these easy steps:

1. Go to <https://www.ixl.com/signin/tprs>
2. Enter your child's username and password and click "Sign in."

Username _____

Password _____

3. Click on any recommended skill to start learning!

IXL is designed to help your child learn at his or her own pace. The program is adaptive and will adjust based on your child's demonstrated understanding of the material. All of your child's results will be saved, so you can monitor his or her progress anytime by clicking on Analytics. For on-the-go practice, you can download IXL's free tablet apps for iPad, Android, or Kindle and sign in with your child's username and password.

Sincerely,

The Pen Ryn School
