

Scriptips

Everything you always wanted to know about Scrip but were afraid to ask...

Q. Where can I find a complete list of participating Scrip retailers?

A. The most current information can be found at www.glscrip.com. Click on "Alphabetically" under Retailer List (found on the left side of the GLScrip home page). This list contains all participating retailers, the available denominations as well as the % of their contribution. A printed list, updated monthly, can also be found in the Scrip mailbox in the school office.

Q. Can my friends and family contribute to our Scrip account?

A. Absolutely! Simply have the person ordering indicate your Family Name on the Scrip Order Form to ensure that your account gets the credit for that order. Order forms can be downloaded from the PTO page on the Pen Ryn website. Copies can also be found in the Scrip mailbox in the school office.

Q. How can I find out how much I've earned so far this year?

A. The amount earned for each order is listed on the receipt you receive with your gift cards. To find out how much you've earned so far this year*, send your request via email to the Scrip Administrator (scrip@penryn.org).

*Scrip earnings for each year are accumulated from June to the following May.

Q. I keep hearing about bonuses that retailers offer from time to time. Where can I get more information?

A. From the GLScrip home page, click on "What's New". From there you'll see a link that will take you to a list of all current offers.

Q. I accumulated \$793.46 last year but only received a \$693.46 credit towards tuition. What happened to the other \$100?!

A. Until you reach \$200 in earnings, earnings are split 50/50 between you & the Pen Ryn PTO. Once you exceed \$200 in earnings, 100% of the earnings are yours to keep!

Q. Eek! The bonus for my favorite grocery store expires Friday but our Scrip order isn't going to be placed until Sunday... how can I still take advantage of this special offer?

A. Simply indicate "BONUS EXPIRES MM/DD/YY" on the front of the envelope when you place your Scrip order. Just be sure to have it to school before 10am on Friday. You can also send the order via email to scrip@penryn.org but payment in full must still be received by Friday at 10am before the order can be placed.

Q. I've heard that you can use Lands' End gift cards at Sears... is that right?

A. YES! Lands' End gift cards can be used at Sears *and* Kmart, in any department... tools, automotive, lawn & garden, even appliances! But here's the best part. Currently Lands' End contributes **16%** while Sears and Kmart offer only 4% so you increase your earnings by **12%** by buying Lands' End gift cards and using them at Sears and Kmart!

Q. I've also heard that you can use Kohl's gift cards to make payments on a Kohl's account... is that also true?

A. YES! But the gift cards *must* be purchased through Scrip and payments made in a Kohl's store.

Q. If I'm shopping online at a participating retailer, is there any way I can get a gift card to use right away?

A. Sounds like you need a PrestoPay™ account. With a PrestoPay™ account and the ScripNow and Reload options, get what you need when you need it! Set up your online and PrestoPay™ accounts today at www.shopwithscrip.com! Click on "Ordering Online" on the PTO page of the Pen Ryn website for additional instructions.

Q. Our last child is graduating from Pen Ryn this year, what will happen to our earnings after we graduate?

A. Earnings from Scrip can be applied toward any tuition-based school, college or university. So even after graduation, you can continue to use your Scrip account and your earnings can be applied toward high school, college and beyond!

Q. Can we donate our Scrip earnings?

A. Absolutely! Donations of Scrip earnings can be made to The Pen Ryn Fund, the PTO or even another family. When you receive your statement at the end of the school year, simply let us know how to apply your earnings. You can indicate how much or what percentage you would like applied to one or more beneficiary.
