KIDS SUMMER LEARNING ACTIVITIES 2025

CHOOSE FUN AND CREATIVE LEARNING ACTIVITIES

Complete as many activities as you can.

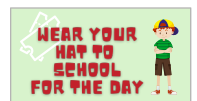

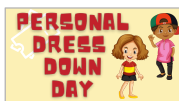

You can repeat any activity.

Each activity has a different ticket value.

Keep track of what you do and record the number of tickets you earn.

Make sure you show your parents and get their signature on each activity you complete.

**On Meet Your Teacher Day bring this to school
and trade in your tickets for REAL PRIZES!**

1ST GRADE ACTIVITIES

For Resources

Practice spelling your first and last name to someone.

Practice writing numbers 0-100 in sand or shaving cream.

Name the things that you see around you and tell your adult what the vowel is in the word!

Draw a cloud in the shape of an object or an animal. Make it super colorful!

Use cereal or objects you have at home to practice counting. Can you make a group of 2, 5, & 10?

Practice addition facts for sums 0-10. You can make flashcards or practice on a sheet of paper. (Scan QR Code for facts)

Tell someone your phone number, address, and your birthday.

Read *Edward the Explorer* by James Reid. Create your own adventure book!

Practice counting. How high can you count? Can you skip count by 2's, 5's and 10's? Challenge: Set a timer and see how many you can solve!

Play a card or board game with your family. Practice taking turns, being a good winner and good loser.

Read & write high frequency words we see in books: are, for, go, have, he, said, they, this, with, & was.

Have an adult help you decode short words like hat, log, map, sun, web.

Make a list of things that you can do in the summer. What do you want to do?

Sort and count objects by size and amount (greater than or less than).

Write a story about something fun you did this month. Remember to use finger spaces between words, correct capitalization and punctuation at the end of each sentence.
